

Dear Hockey Parents,

We are excited for your children to attend the 8th Annual Skate & Surf Hockey Camp at Oceanside Ice Arena. The Camp policies are structured with your children's safety as the #1 priority.

Drop-off:

Morning drop-off for the hockey camp is from 8:00-8:30 AM. **Please note that adult supervision will not be provided prior to 8:00am.** The lunch order will be taken upon drop-off. Of course, children are welcome to bring extra snacks and food to eat before going to Big Surf for lunch.

Things to bring:

- Swimsuit
- Flip-flops
- Towel
- Sunscreen
- Sunglasses/hat

Lunch will be served at 12:15pm at Big Surf

- Hot dog and Chips
- Hamburger and Chips
- 1 Slice of Pizza (Cheese or Pepperoni)
- 3 Chicken strips
- +Bottled water with all above orders

Life guards:

Big Surf life guards are stationed throughout the park and an on-duty EMT is always present in the first aid station.

Restrictions:

Children 12 and up must be "buddied up" the entire time at Big Surf. Children are not permitted to be alone at any time. Children under the age of 12 must stay with the chaperone the entire time at Big Surf unless written permission is granted by parent/guardian to be on the buddy system instead. Children between 8-11, may be on the buddy system and un-chaperoned only with written permission. Children 7 and under must remain with the chaperone – exceptions are made only by the Camp Director and only with written permission. Chaperoned groups will be able to move throughout the park as a group so everyone has a chance to enjoy the various attractions.

Anyone over the age of 12 (and those with written permission) will be assigned a 'buddy' (another camper) that they must remain paired up with. Children 12 and up are always welcome to stay with the chaperone too. They will then meet back with the group prior to being escorted from the water park to Oceanside where the end of the day check-out will take place.

Big Surf requires all wave pool guests less than 48" tall to wear a life jacket. Big Surf provides the life jacket free of charge or you are permitted to bring your own certified life jacket. Children are welcome to wear the life jacket on all attractions if they choose.

Pick-up:

Children are escorted back to Oceanside at approximately 3:15 PM.

A parent/guardian MUST come inside the arena and sign out their child by 3:45pm. No child will be released without a Parent/Guardian being present and personally signing out their child. If you are allowing someone other than a parent/guardian to sign out the child you must pre-arrange that in writing with Crystal.

In the event of an emergency requiring a pick up before 3:15pm, **do not go directly to Big Surf to pick-up your child!** First contact one of the camp's administrative staff members who will be able to help facilitate the process in the quickest manner possible. Same policy applies for children who need to be picked up early for appointments, etc. Pre-arrange all early pickups with Crystal Wade please.

Crystal Wade: 602.326.1694/ Brad Priest: 623.203.5035

Please feel free to contact us with any questions!
